Get Some Loving Done

Conway Twitty

I gotta get up and get some loving done
My life's so poor, ain't been much fun
I found myself a woman and I know she's the one
And I gotta get up and get me some loving done.

I've been doin' without a good thing much too long
But you taught me to sing a brand new song
When I look at me I see a brand new different me
Let's gonna get up and get some loving done.
Yeah, I've gotta get up...

Well, you know how to treat me like a woman
And satisfy my needs, 'cause you're all man
When I look at you I see it all belongs to me
So, I'm gonna get up and get some loving done.

Get up and get some loving done
Our life's a gonna be a life more fun
Yeah, I found myself a good man
And he sure do turn me on.

We're gonna get up and get some loving done
Get up and get some loving done...
