

I Don't Mind

Conway Twitty

It used to break my heart each time you cheated,
I tried to leave you, the Lord knows how I've tried
But I stayed here no matter how I'm treated
And all it really cost me was my pride.

But I don't mind,
I don't mind
I did for a time
But I don't mind.

You and I have a perfect understanding
You come and you go as you please
And I never get too angry or demanding
It's hard to get mad on your knees.

But I don't mind,
Baby, I don't mind
I did for a time
But I don't mind.

Once I was strong as a mountain,
I stood tall like a giant Oak tree
Now my blood runs thin like water in a fountain
You took all the man outta me.

But I don't mind,
Baby, I don't mind
I did for a time
But I don't mind
