

# I Don't Want To Be With Me

Conway Twitty

People say when I walk by  
There he goes a lucky guy  
He got a big long car, a lotta money too  
But I don't wanna be with me  
If you're not with me too.

Fancy clothes, diamond rings  
Pretty house, Yeah, all these things  
People say he can't be blue  
But I don't wanna be with me  
If you're not with me too.

My fancy clothes, my diamond rings  
Pretty house, Yeah, all these things  
I'd give them all up for you  
'Cause I don't wanna be with me  
If you're not with me too.

No, I don't wanna be with me  
If you're not with me too...
