

I'm Not Though Loving You Yet

Conway Twitty

You came to me and you threw me with a simple goodbye
I begged your forgiveness but you won't even try
You just say that it's all over that you'll soon forget
Oh but I still remember I'm not through loving you yet

No I'm not through loving you
I just need some time to make the plans that we made come true
Now you're tiring of trying and soon I'll regret
That I couldn't hold you I'm not through loving you yet

No I'm not through loving you...
