

I'm Tired Of Being Something (That Means Nothing T

Conway Twitty

Everybody tells me I'd be better off without you
They say one-sided love affairs tend to leave you lonely, sad, and blue
But, I'm finding it hard to say goodbye to something I hold true
And, I'm tired of being something that means nothing to you.

I'd love to see the day you come and tell me I'm the only one you need
You've got me right where you want me, right where I shouldn't be
But, I'm finding it hard to say goodbye to something I hold true
Oh, and I'm tired of being something that means nothing to you.

I'm tired of being everything that you don't care anything about
It's just enough to be too much for me to take, and I want out
You're in and out of love with me, not realizing all you put me through
And, I'm tired of being something that means nothing to you.

Oh, I'm tired of being something that means nothing to you...
