

I Need You So

Conway Twitty

I'll go on lovin' you throughout eternity
Say you love me too
That you'll always be mine forever more
I need you so

With your lips close to mine the world belongs to me
Until the end of time throughout eternity
Say you love me too
I need you so

Woo-hoo (woo-hoo), woo-hoo (woo-hoo)
I love you, yes I do
Uh oh, uh oh
I need (I need), I need (I need) you so-o-o-o

I'll go on lovin' you throughout eternity
Say you love me too
That you'll always be mine forever more
I need you so

Woo-hoo (woo-hoo), woo-hoo (woo-hoo)
I love you, yes I do
Uh oh, uh oh
I need (I need), I need (I need) you so-o-o-o

With your lips close to mine the world belongs to me
Until the end of time throughout eternity
Say you love me too
I need you so
(Need you so)
