

I Still Believe In Waltzes

Conway Twitty

I pushed him away and carefully said I'm just not that kinda girl
You might think I'm square
But you've been around in the ways of the world
I know that making is taking for granted
Its all easy come, easy go
He pulled me close, whispered, now darlin' there's something I
want you to know

I still believe in waltzes, and girls with old fashioned ways
I still believe in love songs, in the good, in the good ole days
I've always liked happy endings, somebody's dream coming true
I still believe in waltzes and dancing the last one with you

He slipped into bed, I turned over and said
I'm worried your working so late
Is it just your job
that keeps you away, Lord
I know the temptations are gray
I'm just a wife, I'm just a momma
Its not too exciting I know
He pulled me close and whispered those same words that night long ago

I still believe in waltzes, and girls with old fashioned ways
I still believe in love songs, in the good, in the good ole days
I've always liked happy endings, somebody's dream coming true
I still believe in waltzes and dancing the last one with you

We still believe in waltzes...
