

I've Just Got To Know

Conway Twitty

I've just got to know
How lovin' you would be.

I've noticed everything about you
And I love the way you dress
And I can just imagine
The things that you do best.

I have to turn and walk away
Each time you look at me.
I've just got to know
How lovin' you would be.

Your eyes give me that hungry look
But fear is in there too.
And if you take just one more step
I'm gonna follow you.

I can't control the way I feel
My mind keeps tellin' me
I've just got to know
How lovin' you would be.

I've just got to know
How lovin' you would be.
I can tell you feel the same about me.
I know nobody's giving you
The things you really need.
I've just got to know
How lovin' you would be.

I've just got to know
How lovin' you would be...
