

It's True Love

Conway Twitty

See that mountain over there
I'll move it for you
Aw I know you would
You know I'd move it for you.

See the color of my hair
I'd change it for you
Hmmm, you'd do that for me
You know I'd change it for you.

Baby, it's true love
And I've never had this feeling
It's true love
And I can't believe it's real.

No more broken hearts for you
Girl I feel the same way too
'Cause it's true love
Brand new love with you.

See that star up in the sky
I'll go get it for you
Aw honey, you don't have to do that
You know I'll get it for you.

See these tears in my eyes
You're making me cry
Hey, did I do something wrong
'Cause I'm so happy inside.

Baby, it's true love
It's a super-natural feeling
It's true love
And this time I know it's real.

No more broken hearts for you
Girl, I feel the same way too

Baby, it's true love.
And I've never had this feelin'
It's true love
And I can't believe it's real.

No more broken hearts, for you
Girl, I feel the same way too.

'Cause it's true love
It's a super-natural feeling
It's true love
And I can't believe it's real.

It's true love.
It's a super-natural feeling
It's true love
And this time I know it's real...
