Just When I Needed You Most

Conway Twitty

You packed in the morning
And I stared out the window
And I struggled for something to say
You left in the rain without closing the door
I didn't stand in your way.

But I miss you more
Than I missed you before
And now where I'll find comfort
God knows
'Cause you left me just when I needed you most
You left me just when I needed you most.

Now most every morning
I stare out the window
And I think about where you might be
I've written you letters that I'd like to send
If you'd just send one to me.

'Cause I need you more
Than I needed before
And now where I'll find comfort
God knows
'Cause you left me just when I needed you most
You left me just when I needed you most.

Now most every morning
I stare out the window
And I think about where you might be
I've written you letters that I'd like to send
If you'd just send one to me.

'Cause I loved you more
Than I loved you before
And now where I'll find comfort
God knows
'Cause you left me just when I needed you most
You left me just when I needed you most...
