

Let Me Be There

Conway Twitty

Wherever you go, wherever you may wander in your life
Surely you know I'll always wanna be there
Holding your hand and standin' by to catch you when you fall
Seeing you through in everything you do.

Let me be there in your morning let me be there in your night
Let me change whatever's wrong and make it right
Let me take you through that wonder land that only two can share
All I ask you is let me be there.

Watching you grow going through the changes in your life
That's how I know I'll always wanna be there
Whenever you feel you need a friend to lean on here I am
Whenever you call you know I'll be there.

Let me be there in your morning let me be there in your night
Let me change whatever's wrong and make it right
Let me take you through that wonder land that only two can share
All I ask you is let me be there.

All I ask you is let me be there...
