

Let Your Love Flow

Conway Twitty

There's a reason for the sunshine sky
There's a reason why I'm feeling so high
Must be the season when that love light shines all around us
So let that feeling grab you deep inside and send you reeling.
Where your love can't hide and then go stealing.

Through the moonless nights with your lover
Just let your love flow like a mountain stream
Let your love grow with the smallest of dreams
And let your love show and you'll know
What I mean it's the season.

Yeah let your love fly like a bird on the wing
And let your love bind you to all living things
And let your love shine and you'll know
What I mean that's the reason.

There's a reason for the warm sweet nights
And there's a reason for the candle lights
Must be the season when those love rites shine all around us
So let the wonder take you into space
And lay you under its loving embrace.

Let feel the thunder as it warms your face you can't hold back
Just let your love flow like a mountain stream
Let your love grow with the smallest of dreams
And let your love show and you'll know
What I mean it's the season.

Just let your love flow like a mountain stream
Let your love grow with the smallest of dreams
And let your love show and you'll know
What I mean it's the season...
