Conway Twitty

Long distance information give me Memphis Tennessee  
Help me find the party try to get in touch with me  
I could not have her number but I know who placed the call  
My uncle took the message and he wrote it on the wall

Now help me information get in touch with my Marie  
She's the only one who's called me here from Memphis Tennessee  
Her home is on the southside high up on a ridge  
Just a half a mile from that Mississippi Bridge

Last time I saw Marie she was waving me goodbye  
With hurry home drops on her cheeks that trickled from her eyes  
We were separated cause her mom did not agree  
And tore apart our happy home in Memphis Tennessee

Oh help me operator more than this I cannot add  
Only that I miss her and all the fun we had  
Oh Marie is only six years old information please  
Try to get me through to her in Memphis Tennessee
