

Once Is Not Enough Kind Of Love

Conway Twitty

We ain't moved no mountains
We ain't touched the sky
But O-O-O-O
The nights we try.

We ain't storybook sweethearts
We don't show it off that much
But O-O-O-O
When we touch.

When you pull the covers off of my feelings
Everything just falls into place
O-O-O-O
That look on your face.

We're once is not enough kind of lovers
There ain't no tellin' when we'll stop
We're once is not enough kind of lovers
We hold on till we get every drop.

It's got a good feelin' about it
Fits just like a hand in a glove
We never go a night without it
Once is not enough kind of love.
Once is not enough kind of love

We ain't set the world on fire
But we're burnin' up the night
And O-O-O-O
We sure do it right.

We're once is not enough kind of lovers
There ain't no tellin' when we'll stop
We're once is not enough kind of lovers
We hold on till we get every drop.

It's got a good feelin' about it
Fits just like a hand in a glove
We never go a night without it
Once is not enough kind of love.
Once is not enough kind of love...
