

Pure Love

Conway Twitty

Pure love, baby it's pure love
Milk and honey and Captain Krunch and you in the morning
Pure love, baby it's pure love
Ninety-nine and forty-four one hundreds percent pure love.

I wake up with sunshine, (Sunshine), laying beside me
And Bluebirds singing right outside my window
Soft warm kisses, (Kisses), say good morning, then I get breakfast in bed
You know you make me so happy. (Make me so happy.)

Pure love, baby it's pure love
Milk and honey and Captain Krunch and you in the morning,
Pure love, you're the picture of pure love
Ninety-nine and forty-four one hundreds percent pure love.

Pure love, baby it's pure love
Milk and honey and Captain Krunch and you in the morning
Pure love, you're the picture of pure love
Ninety-nine and forty-four one hundreds percent pure love.

Ninety-nine and forty-four one hundreds percent pure love
Ninety-nine and forty-four one hundreds percent pure love
