

# Rest Your Love On Me

Conway Twitty

Maybe you don't know me any more than I know you  
And I wouldn't blame you if you walked away  
I've been watching you all evening with those teardrops in your  
eyes  
And it touches me much more than I can say  
You know I hate to think that someone could have hurt someone l  
ike you  
And if I was him Id be right by your side

Lay your troubles on my shoulder  
Put your worries in my pocket  
Rest your love on me a while  
Lay your troubles on my shoulder  
Put your worries in my pocket  
Rest your love on me a while

Saw you in the corner from the moment I walked in  
Saw your lonely face across the room  
No I won't forget you and the way it could have been  
Why'd you have to leave so soon  
You know I hate to think there's someone you loved instead of m  
e  
Cause at times like this Id be right by your side

Lay your troubles on my shoulder  
Put your worries in my pocket  
Rest your love! on me a while  
Lay your troubles on my shoulder  
Put your worries in my pocket  
Rest your love on me a while
