

## Some Kind Of A Woman

Conway Twitty

He's tempted by the devil to give up  
The love he knows he's got at home  
And temptation sometimes leads the best of men  
To want to stay out all night long.

And the way the world is turnin'  
You can find anything you wanna see  
But I know you turn it down, turn around  
And then come on home to me.

But I've got me some kind of woman  
And she loves me like nobody can  
Yes, I've got me some kind of a woman  
And that's why I go on home to be her man.

He lets me know that I am the only girl  
In the world he wants to hold  
And I can tell by the way he touches me  
That his love will not grow cold.

So why should he go looking for another  
When I'm all he'll ever need  
I'm satisfied to be with him and his love  
Sure does take good care of me.

But I've got me some kind of woman  
And she loves me like nobody can  
Yes, I've got me some kind of a woman  
And that's why I go on home to be her man...
