

# Sorry

Conway Twitty

Well am I lonely yeah yeah I'm lonely  
Oh oh so lonely since you said goodbye  
Well do I miss you yeah yeah I miss you  
Oh how I want you and need you by my side

Well am I sorry oh oh so sorry  
I didn't mean to make you cry  
Please please come back to me little darlin'  
I proved that I'm sorry yeah yeah I've tried

Well am I sorry yeah yeah I'm sorry...
