

## Store Up Love

Conway Twitty

If we could only store up love when we got it  
And use it when we need it like now  
Everything would be alright  
But love is one thing the whole world showed on  
So have to get along without love somehow.

Yesterday you loved me anyone could see  
Now all that's left with all love we had is just a memory  
If we could only store up love when we got it  
And use it when we need it like now.

If you've got someone that loves you today  
You better hold on tight  
Or you might find tomorrow love slipped away  
If we could only store up love when we got it  
And use it when we need it like now.  
Yeah, we have to get along without love somehow...
