There's Something On Your Mind

Conway Twitty

There is something on your mind
By the way you look at me
There is something on your mind, pretty baby
By the way you look at me.

What you're thinking, bring me happiness or,
Or will it bring me misery?

No, no please don't try to tell me
No, I think I understand
No, pretty please, don't try to tell me, please pretty baby
Yes, I think I understand.

You want me to try, to try, to try to forget you
Oh, I think I'm doin', I think I'm doin' the best I can.

Do you ever think about me?
Yeah, do I ever, ever cross your mind
Well baby, Do you ever think about me
Tell me baby do I ever, ever, ever cross your mind?

Ohh, I know, yes, yes I know,
oh, you'll never ever, ever, baby, be mine.
Do, do, do, do
Do, do, do, do
Do, do, do, do...
