

# There's More Love In The Arms You're Leaving

Conway Twitty

You'll find there's more love in the arms, you'll be leaving  
Than all the good you'll ever find in goodbye.

The words, I love you, came easy for a while  
But lately they're gettin' harder to say  
I can't help notice, then the sadness in your smile  
I know he's on your mind again today.

I hold you close but it's never close enough  
and I know that he's the reason why  
You'll find there's more love in the arms, you'll be leaving  
Than all the good you'll ever find in goodbye.

Could it be you've been leaving without saying a word  
Or have you tried to tell me and I just haven't heard  
Was I dreaming last night or did I hear my baby cry  
You'll find there's more love in the arms, you'll be leaving  
Than all the good you'll ever find in goodbye.

Than all the good you'll ever find in goodbye...
