

Turn On Your Love Light

Conway Twitty

Without a warning you broke my heart
You shouldn't've done it and tore it apart
You left me sittin' in the dark a cryin'
Said your love for me was dyin'

I'm beggin' you baby, baby please
I'm beggin' you baby, down on my knees
Turn on your light, let it shine on me
Shine on your love light, let it shine on me
Let it shine, shine, shine, let it shine

Get a little lonely in the middle of the night
I need you darlin' to make things alright
I'm beggin' you baby baby please

Come on baby baby please
Turn on your light let it shine on me
Turn on your love light let it shine on me
Let shine, shine, shine, let it shine

A little bit higher, a little bit higher
A little bit higher, a little bit higher baby

Come on baby, baby please
I'm beggin' you baby, down on my knees
Turn on your light, let it shine on me
Turn on your love light, let it shine on me
Let it shine, shine, shine, let it shine

You know it feels alright, well, it feels alright
It feels alright, well, it feels alright

Turn on your light, let it shine on me
Turn on your love light, let it shine on me
A little bit higher, a little bit higher
A little bit higher, a little bit higher baby
A little bit higher baby
