

## Victim Of My Needs

Conway Twitty

I'll go out tonight in hopeful desperation  
Though I know there's little chance that I'll succeed  
I just got to search this town until I find you  
I've become a victim of my needs.

I cried as finally realized  
The hurt you left is twice my size  
The tears I shed  
Can't drown the pain inside.

My mind I'm sure this time will go  
If I don't bring you home I know  
That I've become a victim of my needs.

I just need to hold you close and taste your kisses  
How I miss the kind of life we used to live  
I got chills that I can't warm with all the sweet wine  
I've become a victim of my needs.

I cried as finally realized  
The hurt you left is twice my size  
The tears I shed  
Can't drown the pain inside.

My mind I'm sure this time will go  
If I don't bring you home I know  
That I've become a victim of my needs...
