

Walk On By

Conway Twitty

If I see you tomorrow on some street in town
Pardon me if I don't say "Hello"
I belong to another, and it doesn't look so good
To know someone I'm not supposed to know.

Just walk on by, wait on the corner
I love you but we're strangers when we meet
Just walk on by, wait on the corner
I love you but we're strangers when we meet.

In a dimly lit corner at a place outside of town
Tonight we'll try to say "Goodbye" again
But I know it's not over, I'll call tomorrow night
I can't let you go so why pretend?

Just walk on by, wait on the corner
I love you but we're strangers when we meet
Just walk on by, wait on the corner
I love you but we're strangers when we meet...
