

# We've Got Tonite

Conway Twitty

I know it's late, and I know you're weary  
I know your plans don't include me  
Still here we are, both of us lonely  
Longing for shelter from all that we see

Why should we worry, no one will care girl  
Look at the stars so far away  
We've got tonight  
Who needs tomorrow?  
We've got tonight  
Why don't you stay?

Deep in my soul, I've been so lonely  
All of my hopes, fading away  
I've longed for love, like everyone else does  
I know I'll keep searching, even after today

So that there it is  
We've got it all now  
And here we are babe  
What do you say?  
We've got tonight  
Who needs tomorrow?  
We've got tonight  
Why don't you stay?

I know it's late, I know you're weary  
I know your plans don't include me  
Still here we are, both of us lonely  
Both of us lonely  
Both of us lonely

We've got tonight  
Who needs tomorrow?  
Let's make it last  
Let's find a way  
Turn out the light  
Come take my hand now  
We've got tonight babe  
Why don't you stay?

We've got tonight  
Who needs tomorrow?  
Let's make it last  
Let's find a way  
Turn out the light  
Come take my hand now  
We've got tonight babe  
Why don't you stay?

Why don't you stay?
