

Bliss

Cookiee Kawaii

Bliss, bliss, bliss
On my lips, I feel your bliss
Can you feel mine?
Bliss, bliss, bliss
On my lips, I feel your bliss
Can you feel mine?

I feel you sweet bliss on my lips
When we kiss, fine wine
Exotic splits, very bliss
You and I, us
Hotel rooms, your favorite perfume
I enjoy this time with you, you, you, you
Fresh inhale, 3.5 on the scale
Putting that blunt in the air
I enjoy it this time with you

Bliss, bliss, bliss
On my lips, I feel your bliss
Can you feel mine?
Bliss, bliss, bliss
On my lips, I feel your bliss
Can you feel mine?
