

Candy

Cookiee Kawaii

Hey, hey

It tastes like bubblegum skittles
I'm really walkin' for you, babe
I just wanna feel in you a little
So shake your body for me, babe
It tastes like bubblegum skittles
I'm really walkin' for you, babe
I just wanna feel in you a little
So shake your body for me, babe

You taste like candy
You're my favorite snack
I got a sweet tooth
You keep me coming back
So sweet, it's so sweet to me
Gimme that, gimme that, it's all for me

Gimme that, gimme that, it's all for me
Sweet tooth, sweet tooth
You got me feeling like I want you
Sweet tooth, sweet tooth, sweet tooth
You know I want you
So sweet, I'm really walkin' for you, babe

Gimme that, gimme that, gimme that
Gimme that, gimme that, gimme that
Gimme that, it's all for me

Gimme that, gimme that, gimme that
Gimme that, gimme that, gimme that
Gimme that, it's all for me
Sweet tooth, sweet tooth
You got me feeling like I want you
