

Can you feel my energy?
Can you feel my energy?
I touch you, you touch me
I feel you, you feel me, we dance
I touch you, you touch me
I feel you, you feel me, we dance, we dance
Between the sheets just take my hand
And let me ease your mind
Can you feel my energy?
Can you feel my energy?
Between the sheets just take my hand
And let me ease your

As our bodies intertwine, I'm taking my time
Cause I'm getting real deep in mind
I wanna make you never forget this time
Cause I can feel her crying
So close your eyes and let me take the pain away
Imma show you something, you can unload today
Imma give you real love, don't run away
Cause this shit right here is real
Did I make it feel like your first time?
Treat it like it's mine
Imma take care of you
Ain't like other, know I ain't scared of you
I'll prepare for you
Cause I want this and I want you
So be mine and dance forever
In my arms tonight, just let me feel you energy

Yeah, you can feel my
Can you feel my energy?
Can you feel my energy?
I touch you, you touch me, we dance
I touch you, you touch me
I feel you, you feel me, we dance, we dance
Between the sheets just take my hand
And let me ease your mind
Can you feel my energy?
Can you feel my energy?
Between the sheets just take my hand
And let me ease your mind, can you feel my
