

Hey DJ

Cookiee Kawaii

I'm in love with a DJ
Please just play my song
I'm in love with a DJ
Please just play my song

Hey DJ, play my song
Turn it up for me one time
Got me losing control
To the bass line
Bump, bump, bump
Throwin' my ass in ya face
Don't worry it'll be okay
Tell the DJ to turn it up loud
Now, drop it low to the ground now

Bring it up, speed it up
Get low lemme see them shoulders roll
Let me show you how this go
Bring it up, speed it up
Get low lemme see them shoulders roll
Let me show you how this go

I'm in love with a DJ
Please just play my song
I'm in love with a DJ
Please just play my song
I'm in love with a DJ
Please just play my song
I'm in love with a DJ
Please just play my song

Drop it low, drop it, drop it, drop it low
Drop it, drop it, drop it low
Drop it, drop it, drop it low
Drop it, drop it, drop it low and my ass, ass
Drop it low and my ass in ya face
Drop it low and my ass, ass
Drop it low and my ass in ya face

Drop it low, drop it, drop it, drop it low
Drop it, drop it, drop it low
Drop it, drop it, drop it low
Drop it, drop it, drop it low and my ass, ass
Drop it low and my ass in ya face
Drop it low and my ass, ass
Drop it low and my ass in ya, ass in ya

I'm in love with a DJ
Please just play my song
I'm in love with a DJ
Please just play my song
