Zen

Can you feel my, my energy?
I'm so high, so high
I'm high off of this and your feeling
Thinking about you, waitin' on you
Just let me provide for you, let me just love you baby
Your my sunshine, sunshine
Lost inside and I'm made of dreams of luxury
Yeah, yeah I'm feeling it
I'm feeling it, I-I-I'm feeling it
I-I-I'm feeling it

Can you feel my, my energy, energy?
Feel it in your soul, got to let it flow
Feel it in your soul, got to let it flow
Feel it in your soul, got to let it flow
Feel it in your soul, got to let it flow, let it flow
