I think I'm losing my mind (A-A-A-A-Al on the beat)
I think I'm losing my mind (Al on the beat)
I been in the house way too long, oh

We on lockdown, watch me dropdown
Turn the lights down, turn the lights down
We on lockdown, watch me dropdown
Turn the lights down, turn the lights down

Quarantine and chill, we on lockdown
Quarantine and chill, turn the lights down
Quarantine and chill, we on lockdown
