

## Start Over Again

Cookiee Kawaii

I don't want this night to end  
Let's start it all over again  
Let's fight to the end  
Let's start it all over again

I don't want this night to end  
Let's start it all over again  
Let's fight to the end  
Let's start it all over again

I feel free, I feel free  
Come dance with me, come dance with me

I don't want this night to end  
Let's start it all over again  
Let's fight to the end  
Let's start it all over again

I don't want this night to end  
Let's start it all over again  
Let's fight to the end  
Let's start it all over again

(I don't want this night to end)  
(Let's fight to the end)

I don't want this night to  
And so you just got to  
I don't want this night to  
And so you just got to  
I don't want this night to end  
And so you just got to  
I don't want this night to end...

Give me the body  
Give me the body  
Give me the body you cunt  
Give me the fuckin' body

I don't want this night to end  
Let's start it all over again  
Let's fight to the end  
Let's start it all over again
