

Vacation

Cookiee Kawaii

Just fly me out, fly me out

I need a vacation
London, Paris, Rome, or Jamaica
Shopping sprees, feel so free
You and me laying on the beach, smokin' tress
We could be

Baby, it's your ride
You got me hypnotized, oh
Look me in the eyes, I wanna satisfy you
How you feel about tonight, just you and me beside you
Let me fly you out so we can do what grown folks do, oh

Big ole' butt, b-b-butt
Ole' butt, b-butt
Big ole' butt, b-b-butt
Ole' butt, ole' butt

Big ole' butt, b-b-butt
Ole' butt, b-butt
Big ole' butt, b-b-butt
Ole' butt, ole' butt

Break it down, back it up
She got a big ole' butt
Break it down, back it up
She got a big ole' butt
Break it down, back it up
She got a big ole' butt
