

Vibe (If I Back It Up)

Cookiee Kawaii

Know you feel a vibe
Lil' baby, when you ready, hit my line
Tell me what you wanna do
I know you see I'm feelin' you
Don't let shit get in the way
I know you tired of playin' games
So tell me what you wanna do
I know you see I'm feelin' you

Baby, back it up
Can I smack it up?
Can you do a split?
Can you toot it up?
Super thigh thighs mm eat it up
Super soaker wet you make me shoot it up (Bang, bang)
[?] got a new flow, got a new vibe (Vibe, vibe)
Back, back, back that ass up like I'm Juvenile (Bang, bang)
[?] got a new girl and my new car
She on the dancefloor with no panties on

I know you feel a vibe
When you ready, hit my line
I know you feel a vibe
I like how she

If I back it up, is it fat enough?
Baby, when I throw it back, is it fast enough?
If I speed it up, can you handle that?
You ain't ready for this work
Now watch me throw it, throw it

Back, throw it back
Back, back, throw it back, back, back, back
Throw it back, back, back, throw it back
Back, from the back, throw it back, back

My ass too fat, fat, fat, fat, fat, fat, fat, fat
My ass too fat, fat, fat, fat, fat, fat, fat, fat

I like how she
Rock, rock, rock, rock, rock, rock (I like how she)
Rock, rock, rock, rock, rock, rock, rock, rock

Got a new vibe, new vibe, new vibe, new vibe
Got a new vibe, new vibe, new vibe, new vibe
Got a new vibe, new vibe, new vibe, new vibe
Got a new vibe, new vibe
Got a new vibe, new vibe, new vibe, new vibe
Got a new vibe, new vibe, new vibe, new vibe
Got a new vibe, new vibe, new vibe, new vibe
Got a new vibe, new vibe, baby, back it up
