Cooper Alan

Well I had just turned 6, was my first day of school
Was in the principal's office before the day was through
They told me Dale Dickens said you punched him straight in the
gut

And he was crying to the nurse
I said hold up
He tried to take the 10 dollars Mama gave me for lunch
And I'm a son of a bitch
I ain't no bitch of a son

Friday night, junior year daddy put me in check
He said "it's 3am I can smell it on your breath"
I said "I'm sorry daddy Charlie's daddy was out of town
And I can't be the only one left out"
Said "if your friends went off a bridge tell me, would you jump
?"
Hell I'm a son of a bitch
I ain't no bitch if a son

Hey hey hey it's in my blood
I'm okay with the crazy things I've done
My Mama's she's a saint but she'd say I'm one
I'm a son of a bitch
I ain't no bitch of a son

Just the other day was in my same bar seat
I caught a man putting hands on the girl next to me
I tried to do the right thing, settle it with words
Don't wanna say what happened next but it's what he deserved
The cops showed up and asked what have you done?
Said "I'm a son of a bitch
I ain't no bitch of a son"

Hey hey hey it's in my blood
I'm okay with the crazy things I've done
My Mama's she's a saint but she'd say I'm one
I'm a son of a bitch
I ain't no bitch of a son
And I'll be this way til the day I'm done
I'm a son of a bitch
But I ain't no bitch of a son
