

## Buzzin'

Cooper Alan

She can bring it on the dance floor  
Showin' everybody what for  
Throwin' up her hands  
Holler for the band to play another one more  
And I'm watchin' all the guys watch her  
All the guys want her  
But they crazy to think they can buy her a drink  
She don't need nothing strong  
To turn her on

She likes virgin Pina Coladas  
Diet Coke without the Jack  
3.2 Beer from Colorado  
Water with Water back  
Bartender put that whiskey down  
That's one thing she don't need  
She gets high on she and I  
Like honey does a honeybee  
Ah yeah she's  
Buzzin' on me  
Buzzin' on me  
Yeah she's  
Buzzin' on me

She says drunk is highly overrated  
She stays intoxicated kissing on my neck  
Making me a wreck  
Instead of throwing 'em back

She likes virgin Pina Coladas  
Diet Coke without the Jack  
3.2 Beer from Colorado  
Water with Water back  
Bartender put that whiskey down  
That's one thing she don't need  
She gets high on she and I  
Like honey does a honeybee  
Ah yeah she's...  
Buzzin' on me  
Buzzin' on me  
Yeah, she's...  
Buzzin' on me...

Every once in a while  
She'll sip a little wine  
A glass of champagne on a New Years Night  
But most time

She likes virgin Pina Coladas  
Diet Coke without the Jack  
3.2 Beer from Colorado  
Water with water back  
Bartender put that whiskey down  
That's one thing she don't need  
She gets high on she and I  
Like honey does a honeybee  
Ah yeah, she's

Buzzin' on me  
Buzzin' on me  
Yeah, she's  
Buzzin' on me...  
Yeah, she's...  
Buzzin' on me...
