

# Can't Dance

Cooper Alan

Excuse me  
I don't mean to be rude, see  
But couldn't help notice you standing there grooving  
Tryna bust a move  
How bout we hit that dance floor?  
But first, I'll get a little somethin' somethin' on ice  
Then I'm James Brown in my mind  
And that liquid courage kicks in

Cause I can't dance for shit  
But I can do a little something like this  
Two steps to the left, two steps to the right  
Don't matter long as I get to hold you tight all night  
And babe don't laugh when I spin you round and it looks bad  
This white boy's rhythm is the gift I'm given  
Ain't kidding these hips are stiff  
Yeah I can't dance for shit  
Some things just can't be taught  
But watch me give it everything I've got  
Give it my best shot  
Yeah yeah yeah  
All night

I see you smiling  
You gotta give me props for tryin'  
I feel it down deep  
Bringing that heat  
Dad moves on fleek  
Yeah the flesh is willing but the feet are weak  
So first, I'll get a little somethin' somethin' on ice  
Then I'm JT in my mind  
And that liquid courage kicks in

Cause I can't dance for shit  
But I can do a little something like this  
Two steps to the left, two steps to the right  
Don't matter long as I get to hold you tight all night  
And babe don't laugh when I spin you round and it looks bad  
This white boy's rhythm is the gift I'm given  
Ain't kidding these hips are stiff  
Yeah I can't dance for shit  
Some things just can't be taught  
But watch me give it everything I've got  
Give it my best shot  
Yeah yeah yeah  
All night

But first, I'll get a little Patron on ice  
Then I'm Bruno in my mind  
When that liquid courage kicks in

Cause I can't dance for shit  
But I can do a little somethin' like this  
Two steps to the left, two steps to the right  
Don't matter long as I get to hold you tight all night
