

Drunk Drink

Cooper Alan

Thank God for Friday I think I might've died
If I spent another day working for the suit and tie
We put our 40 in and they finally let us free
To head down to the pub where everybody sings

Hey hey
Just give me something cold
We'll raise 'em up tonight
Until tonight's tomorrow
Pour me two for every day
Of this God forsaken week
Tonight all I need is a get me drunk drink
Hey hey
Don't matter what it be
Tonight all I need is a get me drunk drink

Pour a pint of Guinness
Just to chase a shot of jack
You drink it till it's empty
Then ya hand it on back
Say fill it up with something
That'll get job done
From the bottom of the glass
To the top of your lungs sing

Hey hey
Just give me something cold
We'll raise 'em up tonight
Until tonight's tomorrow
Pour me two for every day
Of this God forsaken week
Tonight all I need is a get me drunk drink
Hey hey
Don't matter what it be
Tonight all I need is a get me drunk drink

Ladi ladi ladi i-o
We ain't going we ain't going we ain't going home
Ladi ladi ladi i-o
We drink until it's all gone and sing the song we all know
Sing

Hey hey
Just give me something cold
We'll raise 'em up tonight
Until tonight's tomorrow
Pour me two for every day
Of this God forsaken week
Tonight all I need is a get me drunk drink
Hey hey
Don't matter what it be
Tonight all I need is a get me drunk drink
