

# Feel Like Hell Today

Cooper Alan

I got a spam call at 5AM  
The damn trash man missed my bin  
And my neighbor's dog did his business on my fresh-  
mowed lawn again  
I was trying to get to work on time  
But the mailman blocked my drive  
And douchebag Jim parked his Tesla in that spot he knows is min  
e

Some days people just suck  
But I got my mind made up

Ain't no asshole gon' make me feel like hell today  
No P.O.S gon' take a piss on my parade  
I got too much life to live  
And too few shits to give  
Ain't no asshole gon' make me feel like hell today

Even if my ex goes round lying  
Boss man tries to keep me all nighting  
Karen in the comments keeps typing  
I'll be doing just fine

Ain't no asshole gon' make me feel like hell today  
No P.O.S gon' take a piss on my parade  
I got too much life to live  
And too few shits to give  
Ain't no asshole gon' make me feel like hell today

(I'm being gosh damn good, dawg)

If you got a job that sucks  
And if the taxman takes too much  
Yeah, and if you need a strong one  
Here's a sing-along one  
Go on, raise it on up

Ain't no asshole gon' make me feel like hell today  
No P.O.S gon' take a piss on my parade  
I got too much life to live  
And too few shits to give  
Ain't no asshole gon' make me feel like hell today  
I got too much life to live  
And too few shits to give  
And ain't no asshole gon' make me feel like hell today
