Every Breath You Take

Copeland

Every breath you take
And every move you make
Every bond you break,
Every step you take
I'll be watching you

Every single day
And every word you say
Every game you play,
Every night you stay
I'll be watching you

Oh, can't you see
You belong to me?
My poor heart aches
With every step you take

Every move you make
Every vow you break
Every smile you fake,
Every claim you stake
I'll be watching you

Since you've gone I've been lost without a trace
I dream at night, I can only see your face
I look around, but it's you I can't replace
I feel so cold, and I long for your embrace
I keep crying baby, baby please

Oh, can't you see
You belong to me?
How my poor heart aches
With every step you take

Every move you make
Every vow you break
Every smile you fake,
Every claim you stake
I'll be watching you
Every move you make,
Every step you take
I'll be watching you
Every move you make,
Every step you take
I'll be watching you

Every breath you take
Every move you make
Every bone you break
Every step you take
Every single day
Every word you say
Every game you play
Every night you stay
Every move you make
Every heart you break
Every smile you fake

Every thing you stake
Every breath you take
Every move you make
Every bond you break
Every step you take
