

# I Shall Be Released

Corb Lund

They say everything can be replaced  
They say every distance is not near  
So I remember every face  
On every man who put me here

Well, I see my light come shinin'  
From the west down to the east  
Any day now  
Any day now  
I shall be released

They say every man needs protection  
They say that every man must fall  
Still, I swear I see my reflection  
Somewhere so high up on this wall

Well, I see my light come shinin'  
From the west down to the east  
Any day now  
Any day now  
I shall be released

Now yonder stands a man in this lonely crowd  
A man who swears he's not to blame  
Well, all day long  
I hear him shoutin' so loud  
Just cryin' out that he was framed

Well, I see my light come shinin'  
From the west down to the east  
Any day now  
Any day now  
I shall be released
