

Oklahomans!

Corb Lund

Spent a lotta time in Oklahoma
Spent a lotta time with Oklahomans
Made me feel right at home in Oklahoma
But I gotta be travellin' on
On the panhandle ramblin' on

Spent a lotta time in Oklahoma
Spent a little time with Okie ropers
Recognized a couple come from Maricopa
But I gotta be travellin' on
Yeah, from Tulsa I'll be ramblin' on

Spent a lotta time in Oklahoma
Know some troubled Troubadourin' Okie showmen
They had a rough go, but I know they're copin'
Here's hopin' they'll be ramblin' on
Yeah, from Talleguah I'm travellin' on

Spent a lotta time in Oklahoma
Spent a lotta time with Oklahomans
Hag, he sung a song about a Cherokee woman
And I gotta be travellin' on
From Muskogee I'll be ramblin' on

Spent a lotta time in Oklahoma
Even met a pretty Okie lady patrolman
Had to play a show in Kaycee, Wyomin'
So I had to be travellin' on
Okie City, Chris and bareback broncs

Spent a lotta time in Oklahoma
Talked about a lotta crazy shit with Boland
They let ya smoke dope now in Oklahoma
But I gotta be travellin' on
Still, Stillwater gotta lotta good songs
Still, Stillwater gotta lotta good songs
Still, Stillwater gotta lotta good songs
