

Ride On

Corb Lund

It's another lonely evening
In another lonely town
Well I ain't too young to worry
'Cause I ain't too old to cry
When a woman gets me down
Got another empty bottle
Mmm, and another empty bed
Ain't too young to admit it
No, I am too old to lie
I'm just another empty head

That's why I'm lonely, I'm so lonely
But I know just what I'm gonna do

I'm gonna ride on, ride on, ride on
Standing at the edge of the road with my thumb in the air
(Ride on, ride on)
One of these days I am gonna, gonna change my evil way
(Ride on, ride on)
Till then I will just keep riding this pony on down the trail

Broke another promise
How I broke another heart
Well I ain't too young to realize that I ain't too old to try
Try to get back to the start
It's another red-light nightmare
Mmm, on another red-light street
Well I ain't too old to hurry 'cause I ain't too old to die
But I, I'm sure am hard to be

That's why I'm lonely, I'm so lonely
But I know just what I wanna do

Ride on, ride on, ride on
Got myself a oneway ticket, going the wrong way
(Ride on, ride on)
Gonna change my evil ways, one of these days
(Ride on, ride on)
One of these days

Ride on, ride on
I'm gonna ride on (ride on, ride on)
Looking for a truck (ride on, ride on)
Hmh, keep on riding!

Ride loud-loud-loud-on-on-on-on
Ride on, ride on, ride on, ride on, ride on
One of these days
Ride on
One of these days
Ride on
