

Summer Drop

Cordae

When the summer drop
Cord, pussy popping went to church, it's pentacostle
Candy painted new Impala, spinners on, and plus hydraulics
When the summer drop
Niggas knocking, sweatshirts picking pockets
Small hop in rented car but we ain't got no fucking options
When the summer drop
I'm in my other drop, from beanies to buckets, a unit bucks in my polo socks
Remember when summer drop
We was at Uncle's spot, three niggas with nothing to do but wrestle and slap
box
When the summer drop

You would cut me for practice
By 9th grade, my 360 wave was splashy
Savin' up the cash to get some food, you know that's platinum
Fat boy with braids, AIs, and glasses
When the summer drop
I wanted to make beats and rap
My big brother said I need an MPC for that
Next summer I was cooking up an Easter batch
Egg salad sandwiches, I used to fiend for that
When the summer drop
I got cash then blew it to hop back on tour
I guess I'm going overseas for that
When the summer drop

Pussy popping went to church, it's pentacostle
Candy painted new Impala, spinners on, and plus hydraulics
When the summer drop
Niggas knocking, sweatshirts picking pockets
Small hop in rented car but we ain't got no fucking options
When the summer drop

I worked at the barber shop, I swept up the hair from under the chair, could
n't talk a lot
I saved up the whole summer
When the summer drop
That's how I got school clothes, I bought some Pumas and some fake chains th
at was fool's gold
My nigga, what you know about those hot summers, no air condition
My niggas got rare ambition but pain impaired division
I done lost so many homies in summer, I cherish living
Nobody cared to listen, they suffered from their decision
Never hit that 7/11 on Benning Road while wearing the trendy clothes
'Cause niggas like gimme those, 'tis the season of robbin' and scheming
And knock your block out, just make sure you safe when it's hot out niggas

Niggas knocking, sweatshirts picking pockets
Small hop in rented car but we ain't got no fucking options
When the summer drop
Pussy popping went to church, it's pentacostle
Candy painted new Impala, spinners on, and plus hydraulics
When the summer drop
Niggas knocking, sweatshirts picking pockets
Small hop in rented car but we ain't got no fucking options
When the summer drop

Pussy popping went to church, it's pentacostle
Candy painted new Impala, spinners on, and plus hydraulics

When the summer drop
(Ooooooooo yeah ooooo
Ooo no no no)
