

# Ain't Gonna Lie

Corey Kent

I hope you're happy in that California sunshine, baby  
I hope them palm trees make you smile  
Me, I been workin', if I'm honest, probably too much lately  
Thought it might keep you off my mind

I ain't gonna lie, yeah, since your leavin'  
It's smokes that I'm smokin', it's whiskey I'm drinkin'  
Ain't gonna lie, it's puttin' me through hell  
I've tried every vice, ain't found nothin' that helps  
I ain't gonna lie, I'm up every night  
Talkin' to God, prayin' He'll change your mind  
I ain't gonna lie, I wish the truth was  
You weren't over me and I ain't missin' you, but I ain't gonna lie

I'm hopin' one day I won't feel the way I'm feelin', maybe  
There'll be some day I don't want you back  
And if you ever loved me, if you hope I'm doin' better lately  
It's probably better you don't ask

I ain't gonna lie, yeah, since your leavin'  
It's smokes that I'm smokin', it's whiskey I'm drinkin'  
Ain't gonna lie, it's puttin' me through hell  
I've tried every vice, ain't found nothin' that helps  
I ain't gonna lie, I'm up every night  
Talkin' to God, prayin' He'll change your mind  
I ain't gonna lie, I wish the truth was  
You ain't over me and I ain't missin' you, but I ain't gonna lie

I ain't gonna lie  
Ain't gonna lie

Wish I could say I'll be okay  
It's better this way  
Nah, but it ain't  
I ain't gonna lie

Ain't gonna lie, I'm up every night  
Talkin' to God, prayin' He'll change your mind  
I ain't gonna lie, I wish the truth was  
No, no, no, I ain't gonna lie  
You ain't over me and I ain't missin' you, but I ain't gonna lie  
No, I ain't gonna lie

I ain't gonna lie  
Ain't gonna lie  
Whoa, no, no, no, I ain't gonna lie, said I ain't gonna lie

I hope you're happy in that California sunshine, baby
