

# Ain't My Day

Corey Kent

Left 30 early, I still showed up late  
Boss wasn't buyin' what I had to say  
Took it on the chin with a smile on my face  
Nah, it ain't my day

Clock it out, hop in my '05 truck  
Just paid it off, and now it won't start up  
Slam the steerin' wheel, swear I 'bout had enough  
Nah, it ain't my day

And, "There's always tomorrow" just ain't workin' today  
Still got a little drink in the bottle, and it's callin' my name  
Yeah, I know that I'll be hurtin' in the mornin' light  
But it ain't my day, so I'm drinkin' tonight, yeah (Come on)

Yeah, we're drinkin' tonight  
Yeah, we're drinkin' tonight

Had a fight late last night  
And I knew she wasn't comin' back  
Steal my cash, smoke my stash  
And she took every last beer I had, yeah

But my second home just down the road's got a neon light (Hell, yeah)  
It ain't my day, so I'm drinkin' tonight (Here we go)

Drinkin' tonight  
Yeah, we're drinkin' tonight  
Drinkin' tonight (Here we go)

And, "There's always tomorrow" just ain't workin' today  
Still got a little drink in the bottle, and it's callin' my name  
Yeah, I know that I'll be hurtin' in the mornin' light (Oh, that's right)  
And it ain't my day, so we're drinkin' tonight  
Yeah, I know that I'll be hurtin' in the mornin' light  
But it ain't my day, so we're drinkin' tonight (Oh, yeah)

I said, we're drinkin' tonight  
Oh yeah, we're drinkin' tonight  
Yeah, drinkin' tonight

Yeah, it ain't my day, so I'm drinkin' tonight (Ain't my day)  
Said, it ain't my day, so I'm drinkin' tonight (Ain't my day)  
No, it ain't our day, so we're drinkin' tonight (Ain't our day)  
Ah, it ain't our day so we're drinkin' tonight
