

Highways

Corey Kent

Another song, another town
The leavin' hurts, but you can't slow down
Yeah, another night, another show, neon rodeo
Miss you, baby, gotta go

It's goodbyes and wrong turns
Long nights and lessons learned
Baby, I know it's hard
Love you, but I can't stay
My life is always
Highways and broken hearts

Highways and broken hearts

The lights go out, the lonely's strong
All I'm thinkin' 'bout is comin' home
Oh, but baby, there's a part of me
That's guitars and gypsy dreams
Guess it's always gonna be

Goodbyes and wrong turns
Long nights and lessons learned
Baby, I know it's hard
Love you, but I can't stay
My life is always
Highways and broken hearts

Broken hearts
Yeah, broken hearts

Ooh-ooh-ooh-ooh
One day, I might slow it down
Ooh-ooh-ooh-ooh
Oh, but baby, for now

It's goodbyes and wrong turns
Long nights and lessons learned
Baby, I know it's hard
Love you, but I can't stay
My life is always
Highways and broken hearts
It's goodbyes and wrong turns
Long nights and lessons learned
Baby, I know it's hard
Love you, but I can't stay
My life is always
Highways and broken hearts
Yeah, it's highways and broken hearts
Oh, it's highways and broken hearts

Yeah, it's highways and broken hearts
