

Southeast Oklahoma Pines

Corey Kent

I ain't been back here in 10 months
But things here don't change much
The same verse outside of the UMC

Stop at Burke's to fill it up
Grabbed my change and a can of snuff
Just a couple hours between a good time and me

And it sure does feel good to be back underneath these Southeast Oklahoma pines
Where the stories just get taller when you're sipping on that homemade shine
All the ones who know me best are here, just kicked back in a folding chair
Ragweed's on and we're singing every line
And you ain't on my mind

Parking lot buzzed on a Friday night
Hometown boys won in overtime
Ain't nothing in the world gonna bring me down

Maybe someday I'll care
But I ain't quite got there
There's too many things going right, right now
To worry 'bout what ain't coming back around

And it sure does feel good to be back underneath these Southeast Oklahoma pines
Where the stories just get taller when you're sipping on that homemade shine
All the ones who know me best are here, just kicked back in a folding chair
Ragweed's on and we're singing every line
And you ain't on my mind
You ain't on my mind

And it sure does feel good to be back underneath these Southeast Oklahoma pines
Where the stories just get taller when you're sipping on that homemade shine
All the ones who know me best are here, just kicked back in a folding chair
Ragweed's on and we're singing every line
And you ain't on my mind
You ain't on my mind
