

Still

Corey Kent

Yeah, we've been going steady
I'm pretty sure you're ready
So I've been saving up the change
All tangled up tonight
Can't say that I'm surprised hearing you say

"I know you love me now
Boy, but what about when my hair turns grey?"
'Cause I'm hard to understand
And I'm a stubborn man
Yeah, I'm stuck in my ways

I'm still drinking Dos Equis with salt and lime
Jamming 7 and 7 down the creek turnpike
Still the same kid from the 9 1 8
Everybody back home will still tell you the same
'Til I'm 6 feet

Laying dirt deep
If it's the last thing that I do
Ain't gotta wonder if I will
Baby, I'd still
Be loving you

The summer Sun could burn out
Every bar could shut down
Texas stars could fade away
Hell could be on ice before I change my mind
And that ain't ever gonna change

I'm still drinking Dos Equis with salt and lime
Jamming 7 and 7 down the creek turnpike
Still the same kid from the 918
Everybody back home will still tell you the same
'Til I'm 6 feet

Laying dirt deep
If it's the last thing that I do
Ain't gotta wonder if I will
Baby, I'd still
Be loving you

I'm still drinking Mark Makers straight over ice
I'm still jamming Ragweed down the creek turnpike
Still the same kid from the 9 1 8
Everybody back home will still tell you the same
'Til I'm 6 feet

Laying dirt deep
If it's the last thing that I do
Ain't gotta wonder if I will
Baby, I'd still
Be loving you
Still be loving you
