

# Wild As Her

Corey Kent

She never wanted to be white-picket-fenced-in  
Her heart's like a feather in a Tulsa wind  
Seaside breeze'll bring her to life  
And all them other boys say she's a goodbye girl  
She'll wreck your world  
And leave before the mornin' sun  
But here she is free layin' next to me  
'Cause I ain't tryna tame her love

I keep the windows down and the wind in her hair  
Keep her heart hanging on 'round every turn  
She ain't scared to get tied down, scared to get burned  
Just looking for somebody as wild as her  
Wild  
Wild

Saw that highway unwind in her deep-brown eyes  
She saw a long stretch of dirt road dreamin' in mine  
She ain't living for a diamond ring  
Just living like a rock-and-roll song she sings out loud  
We're burning it down  
Blazing' up a trail of smoke  
Wherever we are, wherever we go  
Yeah, that's where she calls "home"

I keep the windows down and the wind in her hair  
Keep her heart hanging on 'round every turn  
She ain't scared to get tied down, scared to get burned  
Just looking for somebody as wild as her  
Wild  
Wild  
Yeah, yeah, man

Yeah

I ain't tryna fix her  
I just wanna kiss her  
Fuel a little fire in her soul  
No, we don't say "forever"  
But when we're together  
I swear that we ain't ever letting go  
'Cause she knows

I keep the windows down and the wind in her hair  
Keep her heart hanging on 'round every turn  
She ain't scared to get tied down, scared to get burned  
Just looking for somebody as wild as her  
Wild  
Wild

Yeah
